

SF SAUNA RENTAL AGREEMENT

Agreement Version: 1

Important: This Master Agreement is incorporated into the customer-specific Rental Summary. The Rental Summary identifies the Renter, installation address, sauna type, indoor/outdoor placement, initial commitment period, monthly rent, delivery fee (if any), security deposit, optional insurance election and price, optional second-heater election and price, stair/elevator charge, preferred installation date, and Agreement version. If a conflict exists between the Rental Summary and this Master Agreement regarding a customer-specific commercial term, the Rental Summary controls for that term.

This Rental Agreement ("Agreement") is entered into between SF Sauna ("Owner"), and the renter identified in the accompanying Rental Summary ("Renter"). The Rental Summary and this Master Agreement together constitute the entire rental agreement between Owner and Renter.

1. Rental Period

The rental period begins on the date the sauna is installed (the "Installation Date"). The initial commitment period is the term selected in the Rental Summary (the "Initial Commitment Period"). Rental charges are billed monthly on a set billing date and automatically renew unless canceled in accordance with Section 7. After the Initial Commitment Period ends, the rental continues month to month at the same monthly rental rate unless otherwise agreed in writing.

2. Rental Charges, Deposits, and Other Amounts

The customer-specific commercial terms are stated in the Rental Summary, including the sauna type, Initial Commitment Period, monthly rental fee, security deposit, delivery fee (if any), optional insurance election and monthly price, optional second-heater election and monthly price, stair/elevator charge, and any other agreed charges.

a. Monthly Rental Fee

Renter shall pay the monthly rental fee shown in the Rental Summary throughout the Initial Commitment Period and during any subsequent month-to-month period.

b. Optional Second Heater

If selected in the Rental Summary, a second heater may be provided for an additional monthly fee. This option is available only for eligible Traditional Saunas and requires an additional suitable outlet or electrical circuit. Renter must obtain Owner's confirmation that the installation location can accommodate the second heater. A standard Traditional Sauna with one heater generally reaches approximately 160°F to 200°F in about one hour. A sauna equipped with a second heater may reach approximately 170°F to 200°F in about thirty minutes. Actual performance varies by conditions and configuration.

c. Optional Insurance Coverage

If selected in the Rental Summary, Owner may provide optional coverage for an additional monthly fee. This coverage applies only to damage resulting from covered natural events, including earthquake, flooding, windstorm, or wildfire smoke. It does not cover negligence, misuse, unauthorized modifications, failure to follow instructions, or other excluded causes. If elected, the coverage limits Renter's liability for covered events to the amount of the security deposit. Without this coverage, Renter remains fully liable for repair or replacement costs arising from any cause, subject to applicable law and the terms of this Agreement.

d. Refundable Security Deposit

The security deposit amount is stated in the Rental Summary and is due upon delivery. Owner will return any remaining security deposit within fourteen (14) days after pickup, less any amounts properly withheld for

damage beyond ordinary wear and tear, unpaid balances, missing items, cleaning, repair, replacement, or other amounts due under this Agreement.

e. Delivery Fee

Any delivery fee is stated in the Rental Summary and is due upon delivery.

f. Moving Fee

If Renter requests that the sauna be relocated during the rental period, including relocation elsewhere on the same property, a moving fee may apply. Moves within a fifty-mile radius are included in a twelve-month lease term, with one included move permitted during each twelve-month term. After any included move, a \$300 fee applies to each additional relocation. All moving fees are due before the scheduled relocation. Renter may not move the sauna, or permit any third party to move it, without Owner's prior written consent.

g. Stair or Elevator Charge

There is a \$50 charge per flight of stairs or elevator lift. Any stair or elevator charge applicable to the installation is stated in the Rental Summary or otherwise confirmed in writing before delivery and is due upon delivery.

h. Taxes

Applicable sales, use, or other taxes will be added to rental fees, deposits, and service charges as required by law. Renter agrees to pay all such taxes when billed.

i. Amounts Due Upon Delivery

Unless otherwise agreed in writing, the first and last month's rental fees, security deposit, and all applicable delivery, stair/elevator, site-preparation, equipment, and other charges are due upon delivery.

3. Payment Method

All rental fees, deposits, and service charges shall be paid by ACH transfer or another direct bank-transfer method approved by Owner. If Renter elects to pay by credit card, an additional processing fee equal to three percent (3%) of the total payment amount will be added to each transaction to cover third-party processing costs. This processing fee is non-refundable except where required by law.

4. Delivery and Setup

The sauna will be delivered and installed at the address identified in the Rental Summary. Renter shall provide accurate access information and shall not move the sauna without Owner's prior written approval. If extension cords, adapters, shims, supports, or other equipment are required for the installation because of conditions at Renter's premises, the cost may be charged to Renter. Owner will provide notice of required items before installation when reasonably practicable.

5. Site Preparation and Level Surface Requirement

Installation pricing assumes that the installation location is reasonably level, stable, accessible, cleared, and ready for installation when Owner arrives.

Renter is solely responsible for preparing the installation site before delivery. If the location requires leveling, shimming, grading, relocation of obstacles, additional site preparation, or other corrective work, a Site Preparation Fee of \$150 will apply, plus the cost of materials. If the required work exceeds thirty (30) minutes, additional labor will be billed at \$200 per hour.

Owner may postpone or decline installation if the location is unsuitable or cannot safely accommodate the sauna.

6. Utilities

Renter is solely responsible for providing adequate electrical service, water supply where applicable, and any other utilities required to operate the sauna or related equipment. Owner is not responsible for utility charges, utility outages, inadequate service, or damage caused by insufficient or unsuitable utilities.

7. Cancellation and Refund Policy

a. Pre-Delivery Cancellation

Once this Agreement has been electronically signed and Owner has confirmed a reservation for Renter, the assigned unit may be removed from availability to other prospective renters. If Renter cancels before delivery, Renter is liable for a Cancellation Fee equal to the lesser of (i) one thousand five hundred dollars (\$1,500) or (ii) fifty percent (50%) of the rental fees for the Initial Commitment Period. This fee reflects Owner's costs in reserving and preparing equipment and lost business opportunities.

b. Initial Commitment Period

By selecting a rental term, Renter acknowledges and agrees to pay all rental fees due for the full Initial Commitment Period. Early cancellation by Renter does not relieve Renter of this payment obligation except where this Agreement expressly provides otherwise or applicable law requires otherwise.

c. Post-Commitment Cancellation

After the Initial Commitment Period ends, the rental converts to month-to-month at the same monthly rate and automatically renews unless Renter gives Owner at least thirty (30) days' notice before the next billing date. If notice is given less than thirty (30) days before the next billing date, the rental will renew for one additional billing cycle.

If Renter requests pickup with less than thirty (30) days' notice, short-notice or urgent pickup charges may apply under Section 16.

d. Refunds

No refunds will be provided for partial months, unused services, or early termination of the Initial Commitment Period, except where required by law or expressly agreed in writing by Owner.

8. Media and Marketing Consent

Renter grants Owner permission to photograph and record video of the sauna installation, setup, and surrounding area for documentation, marketing, advertising, website, social media, and other promotional purposes.

Owner will not intentionally publish Renter's address, financial information, private documents, or other identifying personal information visible at the premises. Unless Renter separately authorizes it in writing, Owner will not publish images or recordings clearly depicting Renter, household members, or guests.

Renter may revoke future marketing use of newly created media by written notice. Materials published or distributed before Owner receives that notice may continue to appear in existing marketing materials, social media posts, archives, or third-party shares. Renter must notify Owner in writing before installation if Renter does not permit any photography or video recording for marketing purposes.

9. Modifications

Owner may propose modifications to this Agreement upon thirty (30) days' written notice to Renter. If Renter does not agree to the proposed changes, Renter may cancel before the changes take effect. If Renter timely cancels for this reason, Renter will not be liable for unpaid rental fees otherwise remaining in the Initial Commitment Period, provided Renter gives notice within the thirty-day notice period and cooperates with prompt retrieval of the sauna.

10. Payment Failures

All monthly rental payments and other amounts due under this Agreement must be paid on or before the applicable due date. If a payment fails, is declined, reversed, or otherwise not received when due, Renter must promptly provide a valid payment method and pay all outstanding amounts.

If any payment remains unpaid more than three (3) calendar days after its due date, a late fee of \$75 will be added to the outstanding balance.

If payment remains unpaid more than seven (7) calendar days after its due date, an additional late fee of \$25 per day will accrue until all unpaid amounts and late fees are paid in full, up to the maximum amount permitted by law.

Owner may suspend service, disable access to optional services, decline maintenance or relocation requests, and begin termination procedures while any amount remains unpaid.

If payment remains unpaid more than ten (10) calendar days after its due date, Owner may terminate this Agreement, demand immediate payment of all amounts due for the Initial Commitment Period, and schedule retrieval of the sauna. Renter shall provide reasonable access for pickup.

Renter is responsible for costs reasonably incurred by Owner in collecting unpaid amounts, including collection-agency fees, attorney fees, court costs, chargeback fees, returned-payment fees, and reasonable costs associated with recovering the sauna, to the extent permitted by law. Failure to pay amounts when due is a material breach of this Agreement.

11. Termination by Owner

Owner may terminate the rental for non-payment, unsafe use, misuse, unauthorized relocation or modification, material breach of this Agreement, or other substantial violations of its terms. Upon termination, Owner may schedule pickup within thirty (30) days, and Renter must provide reasonable access to retrieve the sauna. Short-notice or urgent pickup charges may apply under Section 16 where applicable.

12. Liability Waiver, Assumption of Risk, and Indemnity

a. Assumption of Risk

Renter understands that sauna use involves inherent and foreseeable risks, including:

- High heat exposure, dehydration, burns, fainting, and other health effects.
- Fire hazards associated with heating equipment, electrical components, combustible materials, and improper use.
- Damage to the premises or surrounding property.
- Injury to Renter, members of Renter's household, guests, or other third parties.
- Risks materially increased by failure to follow the Safe Operation and Fire Prevention Requirements in Section 15.

No person under eighteen (18) years of age may use the sauna. Renter is solely responsible for preventing minors from accessing or using the sauna and assumes responsibility for any claim or loss arising from a minor's access or use, whether permitted or not.

Renter uses the sauna at Renter's own risk and is responsible for ensuring that all household members, guests, and other users comply with this Agreement and all provided instructions.

b. Release of Liability

To the fullest extent permitted by law, and in consideration of being permitted to rent and use the sauna, Renter releases and discharges Owner and Owner's agents, contractors, and employees from claims, demands, causes of action, liabilities, and losses arising from or related to sauna use, including injury, death, or property damage suffered by Renter, members of Renter's household, guests, or other persons using the sauna with or without Renter's permission, except to the extent caused by conduct that cannot lawfully be released.

c. Indemnification

To the fullest extent permitted by law, Renter shall indemnify, defend, and hold harmless Owner and Owner's agents, contractors, and employees from claims, damages, liabilities, losses, and expenses, including reasonable attorney fees, arising from or related to:

- Renter's use or misuse of the sauna.
- Sauna use by household members, guests, or other third parties.
- Damage to the installation premises or other property.
- Failure to follow instructions or the Safe Operation and Fire Prevention Requirements.
- Negligence, unauthorized modification, unauthorized relocation, or other breach of this Agreement by Renter or persons for whom Renter is responsible.

d. Notice of Accident or Loss

Renter shall notify Owner immediately, and in no event later than twenty-four (24) hours after becoming aware, of any accident, injury, fire, property damage, equipment damage, electrical issue, theft, or other incident involving the sauna. Renter shall cooperate with any reasonable investigation or insurance claim.

e. Health Acknowledgment

Renter acknowledges that sauna use may be unsuitable for persons with certain health conditions, including cardiovascular conditions, pregnancy, heat sensitivity, or other medical risks. Renter is solely responsible for consulting a qualified healthcare professional before using the sauna. Owner does not provide medical advice and is not responsible for health consequences arising from sauna use except to the extent required by law.

f. Property Responsibility

Renter is responsible for providing a safe and suitable installation location, maintaining proper electrical connections and operating conditions, and preventing damage to Renter's property or the property of others. Owner is not responsible for damage to Renter's property except to the extent directly caused by Owner's negligence or other conduct for which liability cannot lawfully be excluded.

g. Insurance Disclaimer

Any insurance maintained by Owner is for Owner's protection and does not insure Renter, Renter's guests, or Renter's property. Renter understands that renter's, homeowner's, or other personal insurance may provide coverage for injury or property damage arising from sauna use and is responsible for determining whether adequate coverage exists.

h. No Warranties

The sauna is provided "as is." To the fullest extent permitted by law, Owner disclaims express and implied warranties, including warranties of merchantability, fitness for a particular purpose, safety, and uninterrupted operation, except for any warranty that cannot lawfully be disclaimed.

13. Renter's Responsibility for Damage

Renter is responsible for damage to the sauna beyond ordinary wear and tear. Owner may deduct reasonable repair, replacement, cleaning, transport, and related costs from the security deposit. If those costs exceed the security deposit, Renter shall pay the remaining balance within fourteen (14) days after receiving an invoice.

14. Prohibited Uses

Renter shall not:

- Sublease, lend, transfer, or permit commercial use of the sauna without Owner's prior written consent.
- Use the sauna for any unlawful, hazardous, abusive, or unintended purpose.
- Move, transport, alter, repair, rewire, modify, or permit a third party to service the sauna without Owner's prior written consent.

- Defeat, bypass, remove, or alter any safety device, warning, timer, thermostat, electrical protection, or operating control.

15. Safe Operation and Fire Prevention Requirements

Renter agrees that the following requirements are mandatory conditions of use:

a. Active Supervision

- The sauna heater must never be left unattended while energized.
- "Unattended" means that Renter or another responsible adult is not physically present in the same room or does not have a direct line of sight to the sauna.
- The sauna must be turned off immediately after each use.

b. Clearance Around Heater

- No item may be placed on, above, or within twelve (12) inches of the heater at any time.
- Prohibited items include towels, clothing, wood, paper, containers, decorations, and other combustible materials.
- The sauna may not be used for drying clothing, storing items, or any purpose other than normal sauna use.

c. Electrical Use Requirements

Renter shall:

- Use only outlets, circuits, extension cords, adapters, and electrical configurations approved or instructed by Owner.
- Not use unauthorized extension cords, adapters, modifications, splitters, or electrical equipment.
- Immediately stop using and de-energize the sauna if a breaker trips repeatedly or if Renter observes unusual odors, heat, discoloration, sparking, smoke, noise, damaged cords, loose connections, or other electrical abnormalities.

Owner does not inspect or certify the electrical system of the premises. Renter assumes the risks associated with existing electrical infrastructure except to the extent caused by Owner's negligence or other conduct for which liability cannot lawfully be excluded.

d. Prohibited Conditions of Use

The sauna may not be operated:

- While the premises are unoccupied.
- While users are asleep.
- While users are impaired by alcohol, drugs, medication, fatigue, or any substance or condition that reduces awareness or judgment.
- In any manner inconsistent with this Agreement, safety labels, manuals, or instructions supplied by Owner.

Failure to comply with this Section constitutes misuse and a material breach of this Agreement.

16. Return of Sauna

At the end of the rental, Renter shall return the sauna in the same condition as delivered, except for ordinary wear and tear, and shall provide Owner reasonable access to retrieve it on the agreed pickup date.

a. Pickup Scheduling and Short-Notice Requests

Pickups are generally scheduled at least thirty (30) days in advance. If Renter requests pickup with less than thirty (30) days' notice, Owner may charge a Short-Notice Pickup Fee of \$150. If pickup is requested with seven (7) days' notice or less, Owner may charge an additional Urgent Pickup Fee of \$350. These charges reflect the costs of rearranging routes, staffing, and scheduled installations. Owner may waive or reduce these fees or accommodate an earlier pickup without charge when scheduling permits. Any applicable pickup fee is due before or at pickup.

b. Buyout Option

At the conclusion of the rental period, Renter may ask to purchase the rented sauna. Any purchase is subject to Owner's approval and then-current written purchase terms. Rental payments do not apply toward the purchase price unless Owner expressly agrees otherwise in writing. All sales are final and subject to applicable tax.

17. Joint and Several Liability

If more than one Renter signs or is named in the Rental Summary, each Renter is jointly and severally liable for all obligations under this Agreement, including rental payments, fees, damage, and compliance with all terms. Owner may pursue any one or more Renters for the full amount of any obligation or loss.

18. Credit Reporting Authorization

To the extent permitted by law and applicable service-provider requirements, Renter authorizes Owner to provide information concerning unpaid rental fees, payment defaults, or collection activity to collection agencies or credit-reporting services. Renter understands that reporting accurate negative payment information may affect Renter's credit profile.

19. Personal Responsibility

Renter is personally responsible for all payments and obligations due under this Agreement, including collection costs and legal expenses recoverable under this Agreement or applicable law.

20. Collections and Legal Action

Owner may refer unpaid amounts to a collection agency or pursue other lawful collection remedies. To the extent permitted by law, Renter shall pay reasonable costs associated with collection, including attorney fees and court costs.

21. Governing Law

This Agreement is governed by the laws of the State of California, without regard to conflict-of-law principles.

22. Entire Agreement; Amendments; Severability

The Rental Summary and this Master Agreement constitute the entire agreement between Owner and Renter concerning the sauna rental and supersede prior oral and written discussions, representations, or agreements concerning the same subject. Any amendment must be in writing and electronically or manually signed by the parties, except for modifications proposed under Section 9. If any provision is found invalid or unenforceable, the remaining provisions will remain in effect to the fullest extent permitted by law.

23. Electronic Records and Signature

Renter consents to receive, review, sign, and retain this Agreement electronically. By typing Renter's full legal name, affirmatively accepting the required acknowledgments, and selecting the electronic signature button, Renter intends to sign this Agreement and agrees that the electronic signature has the same force and effect as a handwritten signature. Renter may download or otherwise retain a complete copy of the signed Agreement.
